

# WEB PROGRAMMING

## LAB TASK – : 22

NAME:- ARYAN SINGH SIKARWAR

REG NO:- 24BCE0403

TASK:- Design a **product page** for an online store using HTML and an external CSS file. The page should display at least one product with an image, product name, price, short description, “Add to Cart” button, and a customer rating section (using stars or icons).

**\*Use the external CSS** to style the layout (e.g., card-style product box), control fonts and colors, add hover effects on the button, and ensure the page looks neat and well-aligned.
