

WEB PROGRAMMING

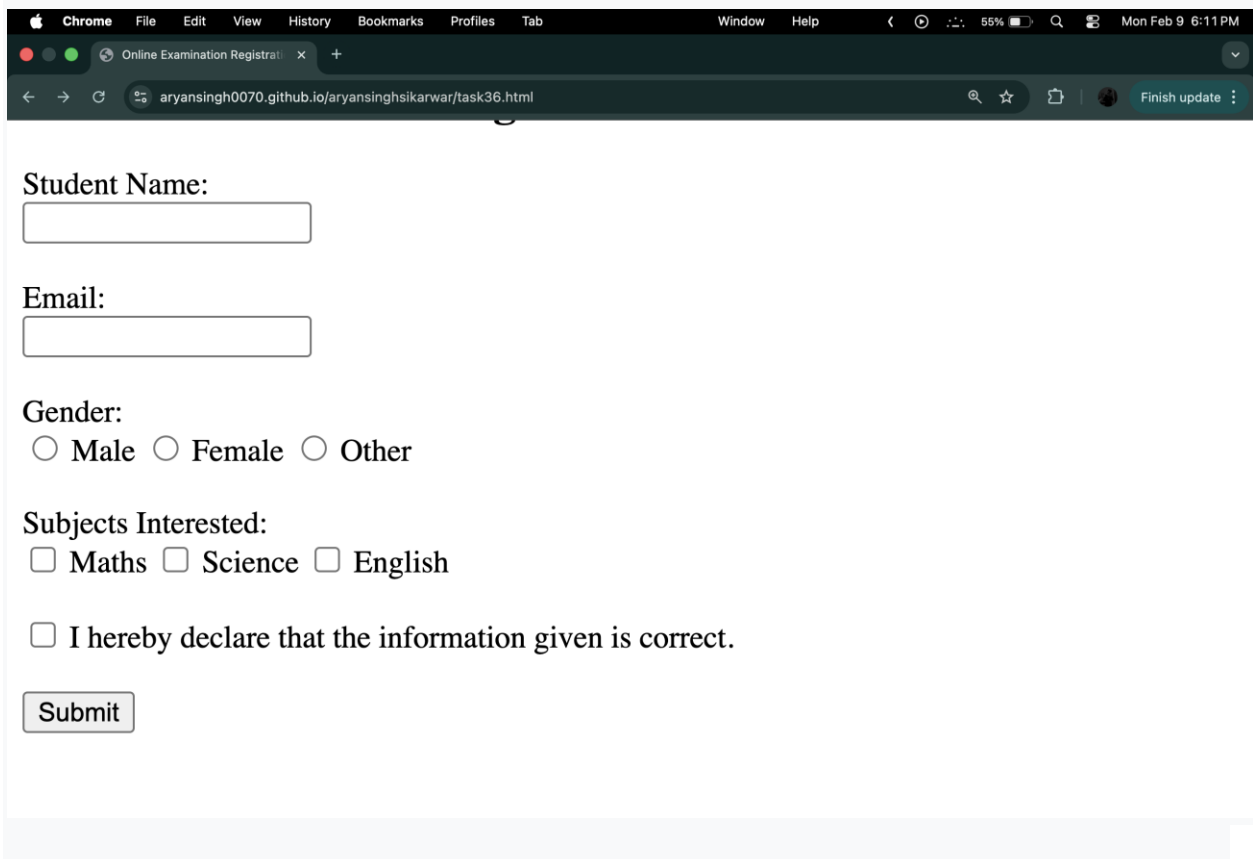

LAB TASK – : 36

NAME:- ARYAN SINGH SIKARWAR

REG NO:- 24BCE0403

TASK:- An online examination registration form includes fields for student name, email, gender (radio buttons), subjects interested (checkboxes), and a declaration checkbox. Using JavaScript form validation, ensure that the name and email are not empty, one gender option is selected, at least one subject checkbox is checked, and the declaration checkbox is selected before allowing the form to be submitted.
