

WEB PROGRAMMING

LAB TASK – : 43

NAME:- ARYAN SINGH SIKARWAR

REG NO:- 24BCE0403

TASK:- Build a product card with hover tooltip. Style card with `position: relative; z-index: 10` and tooltip `position: absolute; z-index: 20`.

Add JS event listener: on `mouseenter`, set `tooltip.style.zIndex = 999` and `display: block`; on `mouseleave`, hide it.

Place multiple overlapping cards to demonstrate why high z-index prevents tooltip hiding behind others.
